Free courses available for our residents, delivered in partnership with Blackpool & the Fylde College

Gain a recognised qualification in Maths, English, Employability and IT.

You can learn from the comfort of one of our community centres.

We can also support you with covering the cost of transport and childcare.

Check out our video here to see how the courses have already helped some of our customers.

Through our partnership with Barclays we also offer help with money, banking and debt advice.

Sessions are delivered from our community centres and experienced staff from Barclays are on hand to offer one to one advice and guidance.

For more information and to see if you're eligible, contact us on 01253 477900 (option 4, then option 3) or email customerinvolvement@bch.co.uk
