Application for a Mutual Exchange
With a Tenant from a Different Landlord

A Mutual Exchange involves swapping your home and tenancy with that of the tenant you are exchanging with. You need written approval from Blackpool Borough Council and the other landlord involved before you exchange. Exchanging with a tenant from another landlord may affect the type of tenancy you have, you should discuss this with your housing officer first. If you exchange you will take responsibility for the decorative state and any repairs that are the outgoing tenant's responsibility. Agreeing to a mutual exchange must be your choice.
